NeeryVille Care

HOURLY VISITS & VISITING CARE

Care That Fits Around Your Life, Not The Other Way Around.

Flexible hourly care at home, delivered by a local team you can rely on.

When things start to feel uncertain, you don't need to make big decisions overnight.

A little support, at the right time, can make everything feel manageable again.

Our visiting care service is designed to support you or your loved one with daily tasks, routines, and companionship, while maintaining full independence at home.

Whether it's a few hours a week or regular daily visits, we provide care that adapts around your life, **not the other way around.**

Visits from as little as 1 hour

Morning, daytime, evening or night support

Consistent carers you can get to know and trust

Flexible schedules that change as your needs change

Local care, thoughtfully delivered in the place you feel most comfortable, your own home.

WHAT WE HELP WITH

Support With The Things That Start To Feel Difficult.

Practical help, mobility support, and meaningful companionship, all delivered at home.

As daily routines begin to feel more challenging, even simple tasks can take more time, more effort, and more energy than they used to.

Our visiting care is there to step in at the right moments, offering support that keeps life moving safely, comfortably, and independently.

Personal Care & Dignity

- Support with washing, dressing, and grooming
- Toileting and continence care
- Maintaining comfort, confidence, and dignity
- Gentle, respectful assistance tailored to the individual

Mobility & Movement Support

- Help with safe movement around the home
- Support with transfers (bed, chair, walking)
- Assistance using mobility aids correctly
- Encouragement with light mobility exercises
- Helping maintain strength, balance, and confidence

Daily Living Support

- Preparing meals and drinks
- Light housekeeping and laundry
- Shopping and running errands
- Keeping the home safe, organised, and manageable

Medication & Wellbeing

- Medication reminders and support
- Monitoring routines and general wellbeing
- Helping maintain consistency and structure

Companionship & Emotional Support

- Friendly conversation and reassurance
- Support attending appointments or outings
- Encouraging hobbies and daily engagement
- Reducing loneliness and isolation

Often, it's not about doing everything,
it's about having the right support at the right time.

From short visits during the week to regular daily support, we adapt around your routine, exactly when you need it.
